

love what we do?

World Heart Beat provides a unique opportunity for young people to learn music and to enrich their lives. Our natural and inclusive approach means that, whatever their background, our students are taught and inspired by the best musicians – with no financial constraints.

Of course, we can't do this without funds. A vital source of revenue is the people who know the remarkable work that World Heart Beat does, and the transformations to young lives that we so often bring. These are people – our special Friends – who are happy to 'give something back' in return for the joy and inspiration we have brought them by joining our vibrant community and playing a significant part in transforming young lives.

### **Funding Friends feels good!**

Please consider signing up to our Friends' scheme, for which all we ask is a monthly donation by standing order, starting at just £6 a month.

World Heart Beat's enduring philosophy is to bring the feel-good factor to all its stakeholders – students, families, supporters.

Our Friends of World Heart Beat scheme brings benefits to our donors that increase in proportion to their level of giving.
